You will be examined to determine whether you can perform the essential functions of the position of Police Officer. Additionally, you will be expected to continue to perform the essential functions of the position of Police Officer throughout your career, and may, therefore, be medically and psychologically tested periodically throughout your career. Individuals who are considering applying for positions in the NYC Police Department are expected to conform their behavior to this policy well before they begin the application process.

REQUIRED FORM:

Application for Examination: Make sure that you follow all instructions included with your application form. Save a copy of the instructions for future reference.

THE TEST: You will be given a multiple-choice test. You must achieve a score of at least 70% to pass the test. Your score on this test will be used to determine your place on an eligible list. One has to predict how an object, set of objects, or pattern will appear after the changes have been carried out.

ADMISSION CARD: You should receive an Admission Card in the mail about 10 days before the date of the test. If you do not receive an Admission Card at least 4 days before the test date, you must go to the Examining Service Section, 1 Centre Street, 14th floor, Manhattan, to obtain a duplicate card.

NEW YORK CITY RESIDENCY CREDIT: Five points will be added to the written test score of those candidates who qualify for the New York City Residency Credit. To be eligible for the residency credit, you must have achieved a passing score on the written examination and must maintain a continuous period of residency in New York City from the date of the written examination through the date the eligible list is established. You must apply by following the instructions in the test booklet on the date of the written test; merely supplying a New York City address on the Application Form for this examination does not serve as a request for residency credit. Requests for residency credit cannot be accepted after the eligible list is established.

Eligibility for the residency credit will be investigated. As in the case of any intentional misrepresentation of a material fact on an employment application, candidates who claim residency credit and who are determined to have intentionally misrepresented facts concerning City residency shall be disqualified and their names shall be removed from the eligible list, and they may be subject to criminal sanctions.

VETERANS’ PREFERENCE CREDITS AND LEGACY CREDITS: The New York State Civil Service Law provides that additional points can be added to the final score of: a candidate who is or, by the date of appointment, expects to be an honorably discharged veteran or disabled veteran of the Armed Forces of the United States who has served during a time of war, as specified in New York State Law; a candidate whose parent has died while engaged in the discharge of his or her duties as a Police Officer or Firefighter; and a candidate who is the sibling of a Police Officer or Firefighter who was killed in the service of New York City as a result of the World Trade Center attack on September 11, 2001. To be eligible for any of these credits, you must achieve a passing score on the examination. **This is only an overview;** specific conditions and instructions for requesting Veterans’ Preference Credits and/or Legacy Credits and additional information are indicated in the Special Circumstances Sheet included in the Application Package.

SELECTIVE CERTIFICATION FOR FOREIGN LANGUAGE: If you possess the ability to speak a foreign language, you may be considered for appointment to positions requiring this ability through a process called Selective Certification. If you qualify for Selective Certification, you may be given preferred consideration for positions requiring this ability. Follow the instructions given to you in the multiple-choice test booklet on the day of the test to indicate your interest in such Selective Certification.

THE TEST RESULTS: If you pass the multiple-choice test, your name will be placed in final score order on an eligible list and you will be given a list number. You will be notified by mail of your test results. If you meet all requirements and conditions, you will be considered for appointment when your name is reached on the eligible list.
